

WHY DO WE ALL NEED A COACH?

- We need someone who will listen.
- We need someone we can ask for help.
- We need someone who can hold confidence.
- We need someone with experience and wisdom.
- We need someone who will always be honest, but kind.
- We need someone who will ask the difficult questions.
- We need someone who really cares about our wellbeing.

ESSENTIAL CHURCH COACHING

THE COACHING IS BOTH PERSONAL & TACTICAL

Personal

How are you? How is your marriage? What is causing you the most stress right now? Where are you finding the most joy? How are your children? How is your health? Are you resting well? How are you spending your best energy? What are the best practices for you to recharge spiritually? What are you doing that's fun?

Tactical

How is your team? What is your biggest leadership challenge? What are you doing to grow as a leader? What do you need to add? What do you need to prune? How can I help you think through strategies for growth? What are the financial needs of your team? How is your working relationship with your board or elders? Do you need to hire more staff? How do you handle layoffs? Where are the conflicts happening on your team? How are you growing as a preacher/teacher/communicator?

WHAT WILL YOU RECEIVE FROM THIS INVESTMENT?

- Regular access to your coach via phone calls, video calls and texts.
- One on-site visit per year that can include weekend preaching, team development, elder/board training, etc.
- This is an annual commitment.
